\_\_\_\_\_ (service)  
PHONE: \_\_\_\_\_

**APPLICANT RESPONSIBILITY:** All costs of constructing and installing said connection including, but not limited to, the cost of the fittings, pipe, and tapping into storm sewer line. Prior to connecting, the property owner or the property owner's contractor must submit a detailed proposal to the Borough Public Works Department showing all work to be completed and all materials to be installed. This proposal must be approved by the Public Works Director prior to the commencement of any construction or installation work. The Tionesta Borough Public Works Director has the right to inspect and/or stop any construction or installation at any time due to concerns over the construction, installation, materials, or any other part of the connection process. All connections shall be inspected by the Public Works Director prior to being covered.

**Type of Service:**

\_\_\_ Residential    \_\_\_ Commercial    \_\_\_ Industrial
